PRE PRIMARY

Activities for the month of September'21.

Literacy Day

To inculcate the joy of learning, importance of being educated and fulfil the mission of literacy, an underprivileged child was invited during the virtual session on 17th September 2021. With the help of puppets, a story was narrated to the children to tell the importance of learning and being literate. The guest child was supported by sharing some of our child's old story books, notebooks, basic stationery, crayons, colouring books etc.

GREEN CITY AND CLEAN CITY

The city that is free from pollution, environment problems and covered with lots of trees around will help to purify the air and maintain the cycle of nature. To inculcate the above. **Pre-Primary** students were made aware of “**Green City Clean city**” on 29 th September’21in virtual sessions where children were encouraged to speak the slogans on the theme-

Planting a Sapling, No to Pollution and Do not litter around and understand the importance to live in a paradise city which is clean and beautiful.

The children came up with various slogans -

Don't be bitter, don't drop litter

Be clean Be Green Be a Recycle Machine

Plant more trees, Save the Earth
