❖ **AAC Activities – September 2021**

Class	Subject	Topic	ACTIVITY
III	EVS	Water – A Necessity	Absorption of Water by Plants
IV	Science	Food and Digestion	Nutritional Value of different food items
IV	Science	Food and Digestion	Process of digestion in human body

✚ **Class III – EVS - Water – A Necessity:-**

Water is an important resource, which is required for the survival of all the living things, like animals and plants. Plants also need water to produce food. To understand the mechanism of absorption of water by the roots of plants, an activity was conducted during the EVS online class. The students were guided to put a stem in coloured water and leave it undisturbed for a few hours. They were further guided to observe the changes which would have taken place and discuss the same in the next class. The extensive discussion about how and why the change occurred in the plants helped the students to understand that water is absorbed by the roots of the soil.

2. **SPECIAL INITIATIVES:-**

❖ **Road Safety – ‘Zero Days Off!’:-**

As a new initiative towards highlighting the importance of road safety, the Road Safety Club of the Primary Department organized an online quiz for all its students. The quiz proved to be an interactive tool to judge the competency of our younger generation. The students enjoyed the quiz on the Kahoot platform and revised various traffic rules in a fun-learning way. The hidden motto was to make them realise and remember that safety is no accident, we need to consciously work towards it. Never give road safety a day off!!!

14 सितंबर हिंदी दिवस के उपलक्ष्य में बाल भारती पब्लिक स्कूल, पीतमपुरा द्वारा चरित्र मंचन पर आधारित हिंदी गतिविधियों का आयोजन किया गया। इन गतिविधियों में कक्षा तीसरी, चौथी तथा पाँचवीं के विद्यार्थियों ने पूर्ण उत्साह के साथ भाग लिया। कक्षा अनुसार निर्दिष्ट इन विभिन्न गतिविधियों में विद्यार्थियों ने अत्यंत उत्साह के साथ भाग लिया। विद्यार्थियों द्वारा प्रस्तुत विभिन्न कवियों, अभिनेताओं, खिलाड़ियों तथा कार्टून अथवा पंचतंत्र की कथाओं के चरित्रों के मंचन का प्रयास अत्यंत सराहनीय रहा। हिंदी भाषा को बढ़ावा देने तथा उसकी गतिविधियों के प्रति विद्यार्थियों में रुचि जागृत करने की दृष्टि से यह निश्चय ही एक प्रभावपूर्ण कदम था।

5. SCHOOL CLUBS - Activities & Competitions:-

❖ TED Club:-

At Primary Department, we believe in innovation and strive to hone the creative minds of our young learners. 'Happy Morning Mantra': A video chat show 'by the students and for the students', is an initiative of the TED Club, to empower our children by giving them a PLATFORM and VOICE to speak what they believe, share what they feel, and have fun along the way with some peppy music that makes us reel! The themes for the month of September were 'The Pros and Cons of Social Media' and 'Impact of Online Classes'. The students showed great enthusiasm towards this show and have taken on the role of young VJs very efficiently.

6. ANY OTHER MATTER OF SPECIAL INTEREST:

❖ **Online Baking Sessions:-**

The **Online Baking Sessions** for the students of Classes IV and V have been going on successfully. The same are held over the weekend, so as to ensure maximum participation from the students. The sessions are being successfully conducted by one of our PTA members, Ms. Ritika Garg. This initiative has not only inculcated life skills among the children but also strengthened our bond with the parent fraternity.

❖ **Kindness Stories:-**

The Primary Department has been posting a number of Kindness Stories every month since June 2021 towards its contribution for the initiative, 'Global Youth Challenge', started by the UNESCO towards the resolution to make Kindness an International Day. The students have shared any act of kindness that they have performed or witnessed. The last lot of responses was shared in the month of September, 2021. More than 350 stories have been shared by the students of Classes III to V.

7. HIGHLIGHTS OF THE MONTH (if any):-

❖ **E-Rally:-**

To make the students realize the impact of using '**SINGLE- USE PLASTIC**', an '**E-RALLY**' was conducted in the '**Primary Department**' wherein the environment enthusiasts (**the Green Warriors**) visited different classes and talked about the consequences of using such plastic. They motivated their peers to bring about a change in their regular practices and adopt a sustainable lifestyle. Towards the end, the students pledged to **follow the 8 R's and stop using plastic meant for single use.**
