Let's explore hands on as we grow

The children of preschool participated in the activity “let’s explore hands on as we grow” and presented a science experiment in the online session on 17th November, 2021. They were very curious and developed a way of thinking and exploring while performing fun-filled experiments. The children talked about their experiment, material used and also what they observed while performing the experiment which encouraged them to enhance their knowledge..

PRESCHOOL GURUPURAB CELEBRATION

To keep up the festive spirit alive, children of Preschool celebrated Gurupurab during their virtual class on 18.11.2021. All the children were guided to cover their head during the celebration. To create a serene environment at the start of the celebration, an audio of Waheguru Simran was played and the facilitators briefed their class students about Guru Nanak Dev Ji along with his teachings of sharing, truthful living and selfless service. By showing them the related PPT, the facilitators discussed about the holy book of Sikhs Guru Granth Sahib ji, the processions called Prabhat Pheris, Nagar Kirtan and about the Community lunch. A video of MoolMantra - Ik Onkar was played and the children were motivated to chant the same along with their facilitators. To conclude the celebration, the children were asked to distribute Kadha Prasad among their family members and take their blessings. They enjoyed eating Kadha Prasad along with their family members and wished everyone by saying "Gurupurab Di Lakh Lakh Wadhaiyan".

PRESCHOOL

Kids in the Kitchen

Creativity along with fun results in learning amongst the children. Kids in the Kitchen Activity was planned during online class on 23rd November'21, Tuesday. The children were encouraged to prepare an age-appropriate dish. At the time of the presentation each child spoke lines about the dish prepared including

1. Name of the dish that they have prepared.
2. Name of the ingredients used for preparing the dish.
3. Their health benefits.

It was advised to the parents to get the dish prepared under adult supervision only. The children were delighted preparing the dish and serving the same to their family members.
