✚ **Class III – Mathematics – Building the Multiplication Tables:-**

✚ Class III – Mathematics – Multiplication Flowers:-

✚ Class V – Hindi – Naara Lekhan:-

SPECIAL INITIATIVES:-

❖ Elocution:-

‘Communication is a skill that can be learnt and all it needs is the willingness to do it’. Keeping this ideology in mind, the Elocution Period has been introduced in the Primary classes. The same is held once in every fortnight and aims at helping our young learners become confident orators, enabling them to express their thoughts effectively in all scenarios.

Circular

"If you can speak, you can influence. If you can influence, you can change lives!"

"Communication is a skill that you can learn. It's like riding a bicycle or typing. If you're willing to work at it, you can rapidly improve the quality of every part of your life."
- Brian Tracy, Author

Dear Parents

Effective communication unites us across boundaries and continents. Therefore, we are introducing Elocution period in our regular timetable to make our students better speakers and smart global citizens who are confident to express their minds.

Please note a few important points regarding the same:

- Each class will be given two topics to prepare. The topics will be divided as per the roll numbers and will be shared a week in advance so that the children have enough time to prepare.
- Medium of speaking: English only
- Duration of speech: 5 minutes per child
- Attendance in these periods is must. Remember, being a good listener is the foremost requirement for becoming a good speaker.
- The topics for the upcoming week are as follows:

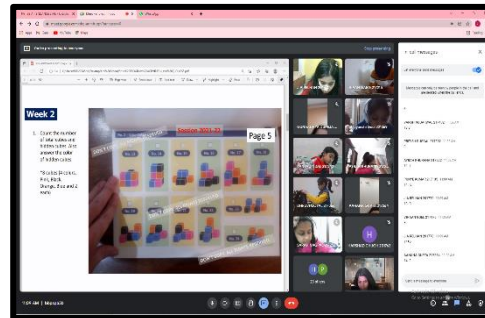

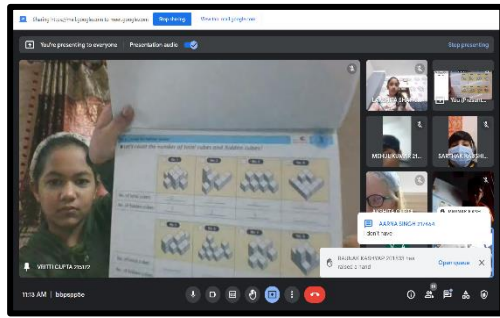

Class	Students with odd Roll Nos.	Students with even Roll Nos.
Class 3	If I could fly...	If I could become invisible...
Class 4	Should schools have a uniform?	Which is better- Paper books or E-books?
Class 5	Knowledge is power!	Laughter is the best medicine!

Looking forward to an enthusiastic participation from all our young and creative minds!

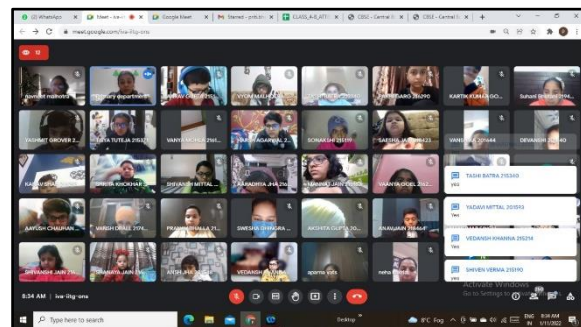

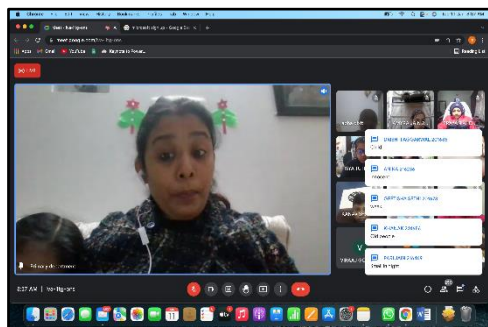

❖ SHIN Programme:-

Shin Activity Number 3 was conducted in classes III – V on 13th January 2022. The activities were graded according to the three class levels. The activities were engrossing and helped in developing the analytical and logical reasoning skills among the students. The session was lively and interactive. The teachers as well as the students look forward to these interesting activities which help in the holistic development of the students.

❖ **CACA – Anti-Bullying:-**

With an aim to create awareness about different kinds of bullying a webinar was conducted for the students of Classes IV and V on the topic – ‘All About Bullying’ on Friday, 11th January 2022. The same was organized on Google Meet along with live streaming so as to enable the maximum number of students to be part of it. More than 550 participants attended the session. The webinar aimed at apprising the young learners of different forms of bullying. The students were guided to ‘KEEP TELLING’ their near and dear ones until they ‘LISTEN’ and ‘HELP’. The need to ‘STOP & HELP’ people who are affected by ‘BULLYING’ was stressed upon along with the need to LISTEN amongst ourselves, so that those who need us can reach out to us. At the end, there was an interactive session, followed by sharing of a worksheet on the topic with the students.

❖ **Concept Building Sessions:-**

‘A building is only as strong as its foundation.’ To ensure a better understanding of the concepts and give our students an insight into the vital aspects of the subjects, Concept Building Sessions are being organized in Mathematics and English for the students of Classes III to VIII after the regular school hours. Two classes per week are held for each subject.

❖ **Newspaper in Education:-**

A newspaper is a window to the world. To bring the world to the classroom, the discussion of the newspaper has become a regular activity during Class Teacher’s period (CTP) in classes III to V. The practice keeps the students updated about the various social, political, and environmental issues in the world and also helps them enrich their vocabulary.

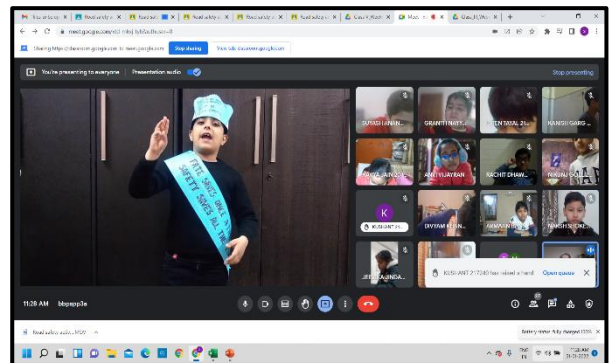

❖ **Financial Literacy:-**

To sensitise the students about the value of money and make them aware of its journey and evolution through trade, the Primary Department has initiated the Financial Literacy Project in Classes IV and V. Interesting worksheets have been designed by the teachers which are shared and discussed with students.

❖ **Road Safety Club:-**

‘Making roads safe starts with YOU. So, let’s be a ROAD HERO!’

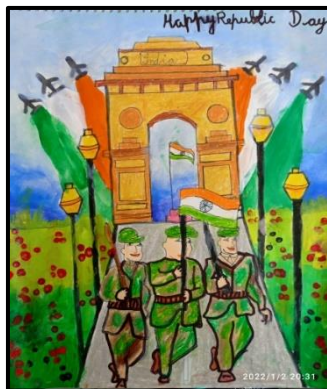

The Road Safety Club organized yet another activity in the month of January 2022. Students wrote some creative awareness slogans on a paper sash. They wore those paper sashes along with a matching headgear and recorded their video speaking out the slogan loud and clear. Students enjoyed showcasing their technological and creative skills in creating watching videos made by them and their colleagues during the class.

❖ **Art Club:-**

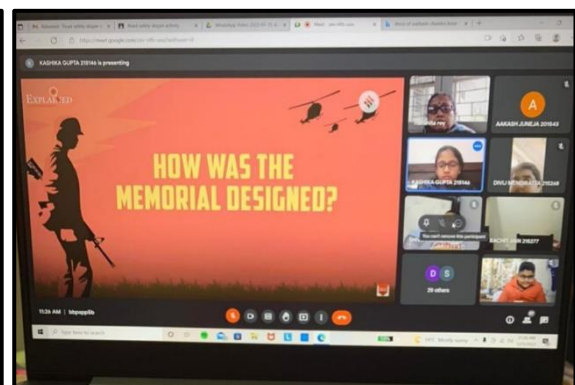

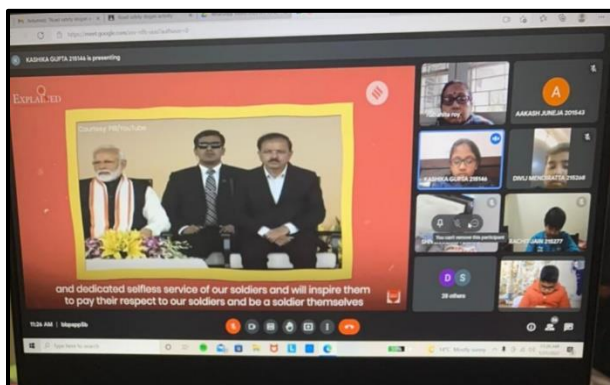

The students of the Primary Department have been getting additional guidance in making different Art forms and Compositions to improve their Artistic sense by being a part of the Art Club. Students have created amazing Art works on themes including Republic Day, Lohri and so on.

ANY

OTHER MATTER OF SPECIAL INTEREST:

- ❖ To celebrate **Azadi ka Amrit Mahotsav**, on the occasion of Republic Day, **discussion on the National War Memorial** was taken up in classes 3 to 5 on 20th January'22. Students were apprised with its significance and encouraged to attempt a worksheet.

- ❖ With an aim to create awareness among the students about the uncontrolled climate devastation Paryavaran Sanrakshan Gatividhi Organization conducted **National School Paryavaran Competition** for the students of classes I- XII from 6th January'22 to 26th January'22. Under this Competition a Class Wise Online Quiz was to be attempted by the students. Students of classes 3-5 actively participated in the competition and received their e - certificates from the host organization.

- ❖ **Library Activities:-**

To help our young learners develop their love for the beautiful world of books, a number of library activities are being taken up regularly in Classes III-V, which include:-

- ✓ Reading the autobiographies of famous personalities during the Library period, besides watching interesting videos/PPTs about their achievements and writing/speaking about 2-3 takeaways from their lives.
- ✓ Maintaining a Book journal - 'My Takeaway' wherein students complete an interesting worksheet on the latest book read by them. They write one famous quote/dialogue of their favourite character and design a new and interesting ending for the story.

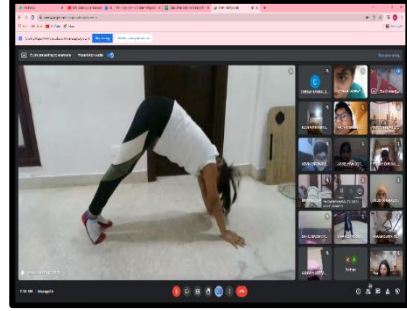

- ❖ **Winter Break Holiday Homework:-**

Keeping in view the fact that during these challenging times when it is difficult for our students to step out, the Primary Department designed the winter vacation holiday homework in a fun-filled way so as to help our students stay constructively occupied. Each class was assigned an interesting story book which the students had to read. The students also created beautiful Book Jackets (Class V), Book Covers (Class IV) and Stick Puppets (Class III) along with the synopsis / summary of the story read by them. The students were further encouraged to maintain a book journal – 'My Takeaway' writing various interesting aspects of the story read by them, such as – their favourite character, their favourite quote / dialogue from the story, designing a new ending and so on.

- ❖ **Surya Namaskar Activity:-**

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of progressive India. With the aim to enrich our experience and associate ourselves with this great endeavour, we, at BBPS, PP participated in the celebration of large scale '**Surya Namaskar Programme**' on 14th January 2022. The activity was organised by the Ministry of Ayush on the occasion of Makar Sankranti. It was an enriching experience for the students as they were apprised of the importance of doing Surya Namaskar on a regular basis to lead a healthy life.

HIGHLIGHTS OF THE MONTH (if any):-

❖ Sustainable Development Goals (SDGs) :-

To sensitize the students towards the ardent need to work for their environment and mankind, a plethora of activities were conducted on the 17 Sustainable Development Goals across all classes, in December 2021 and January 2022. Students prepared class presentations, engaged in activities such as poster making, collage making, declamation, performing yoga, street play, pledge taking etc. The initiative has fostered an interest in research, presentation and public speaking skills among the students.
