SPECIAL INITIATIVES:-

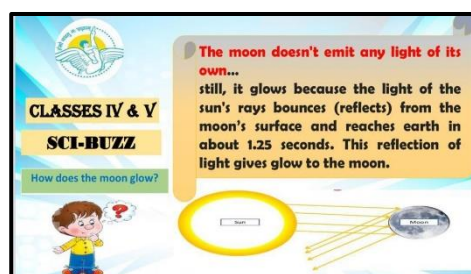

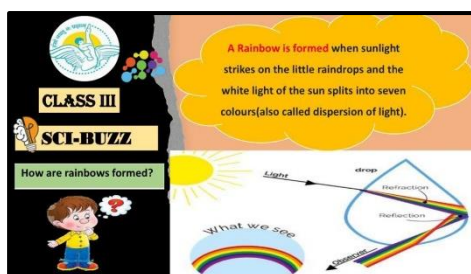

❖ Newspaper in Education:-

To make the concepts given in the Science textbook more realistic, a new initiative 'Newspaper in Education' has been started for the students of class V. Topics, such as 'Pollution' are explained at length and more explicitly by the teachers by reading out news items related to the topic being covered. The example being set by the teachers has helped encourage the students as well to do the same. Now, every day one student brings a newspaper to the class (Online / Physical) and reads the latest report related to the topic of the week. This initiative has not only helped inculcate a habit of reading amongst the students, but also improved their general awareness.

❖ SCI-BUZZ:-

With an aim to encourage the inquisitiveness among the young buds of the Primary Department and enhance their understanding of the various why's and how's of this beautiful world that we live in, the Primary Department has initiated 'Sci-Buzz'. As part of this initiative, we share information related to some very basic day-to-day concepts, such as 'Why and how does the moon glow?', 'How are birds and animals able to survive even in tough circumstances?', is shared in the form of some beautiful illustrations and explanation. This step by us has been successful in igniting the kids' thirst for knowledge even further, with them asking more such questions from their teachers during the Online classes as well.

3. IDS (International Dimension in Schools) -

❖ Virtual Exchange - BBPS, PP and DPS, Sharjah:-

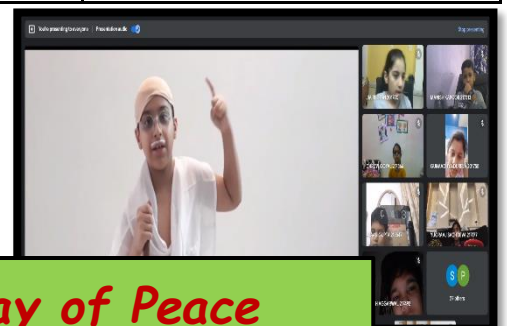

Cultural Exchange Programmes expose students to different cultures, religions, varied geographic and socio-economic backgrounds and hence, provide the opportunities to the students to develop a greater understanding of diversity worldwide.

The Primary Department has initiated an Online Partnership Programme with DPS (Delhi Private School), Sharjah. It has been a great journey so far with the students of both the schools meeting each other for the first time on 05th October 2021. They shared a virtual tour of their school premises to apprise each other of their core systems and values of education. This was followed by individual introductions by the children from both partner schools. Taking this connect forward, the students of Classes I, IV and V along with the members of the IDS team met again to observe the International Day of Peace on Wednesday, 13th October 2021. It was heart-warming to see how the children from both the schools appeared determined to be unified in their vision and action as they pledged for a brighter and more beautiful world for the generations to come.

❖ **Other IDS Activities:-**

SCHOOL CLUBS - Activities & Competitions:-

❖ **Art Club:-**

As part of Art Club, the students of the Primary Department have been getting additional drilling in using various strokes and colouring styles to enhance their artistic skills. The students created beautiful drawings using varied colour modes on different themes, such as Peace, Save Water, My Faith and so on.

ANY OTHER MATTER OF SPECIAL INTEREST:

❖ **Online Baking Sessions:-**

The **Online Baking Sessions** for the students of Classes IV and V have been going on successfully. The same are held over the weekend, to ensure maximum participation from the students. The sessions are being successfully conducted by one of our PTA members, Ms. Ritika Garg. This initiative has not only inculcated life skills among the children but also strengthened our bond with the parent fraternity.

❖ **Azadi Ka Amrut Mahotsav:-**

Azadi Ka Amrut Mahotsav, an initiative of the Government of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements was observed in the Primary Department recently. As part of this celebration, a discussion on **Netaji Subhas Chandra Bose and INA** was conducted during the online classes. The song 'Qadam Qadam Badae Ja' and a short video on Netaji's life aroused the feeling of pride and patriotism among the students and inspired them to bravely face all the challenges of life.

❖ **Global Handwashing Day:** Global Handwashing Day is observed on the 15th of October every year. This year, the theme of this special day was 'Our Future is at Hand- Let's Move Forward Together'. To keep up with the theme, students of the Primary Department celebrated this day with their families. They became the 'Hand Hygiene Ambassador' and demonstrated the 5 steps of handwashing. This activity not only helped in inculcating a habit of good hygiene but also let young members of the family to stride towards being a responsible family member.

❖ **Best Out of Waste:-**

In order to make the students more aware of the 3R's....Reduce – Recycle - Reuse, an activity was planned for class 5. Students made use of the leftover things in their homes and reused the same to make new utility items. They enjoyed doing the activity as well as learned a constructive way to conserve the environment.

HIGHLIGHTS OF THE MONTH (if any):-

❖ Food Fiesta:-

The Primary Department organized 'Food Fiesta Activity' for its students of classes IV and V in October 2021. The students enjoyed cooking and sharing delectable dishes with underprivileged, making them feel loved and cared for. For this interesting activity, they were ready with the ingredients to be used for preparing the Buns and Sangria. This activity not only helped in building up the culinary skills of the budding chefs, but it also helped inculcate the value of Sharing and Caring. "We make a living by what we get but we make a life by what we give."

❖ Clean India Programme:-

As part of its contribution towards the nationwide 'Clean India Programme', the Primary Department organised several activities in October 2021; helping its students to imbibe this virtue. The students were part of 'Cleanliness Drive' and helped make their surrounding clean by picking up and disposing of the trash littered around. They were extra vigilant about disposing the trash in a segregated manner, such as dry and wet waste. The drive helped make the students understand the fact that plastic is a real threat to this beautiful planet, as it is used only once, but stays on for years.

❖ Fun date and Joyful Learning:-

"Having fun is not a diversion from a successful life, it is the pathway to it." – Martha Beck

With an aim to bring about a desirable change in their routine, the Primary Department organized 'Fun Date' and 'Joyful Learning Day' for its students of Classes III to V in October 2021. The students came to school on different days and enjoyed fun-filled time with their teachers and friends. It was endearing to see the students getting to meet their peer group after such a long gap. Besides a few subject – wise learning sessions, the days were filled with many exciting elements such as Magic Show, Craft, Skipping, games, Western Dance and Jump Bunch. **The days were truly memorable for the children as well as their teachers. Everybody left with a number of beautiful memories etched forever in their minds, hoping for many more such days being planned for them again soon.**
