PUBLIC SCHOOL

Class II

World Environment Day

Environment day activity done in class 2 on 13.5.22 along with making students understand the importance of plants in saving our environment. Children made a beautiful garden on a paper plate using art and craft. They were also shown videos wherein the importance of animals and plants in nature and the life cycle was also discussed.

International Family Day

Rightly said "Family is our first school and our parents & grandparents are our first teachers". So, to celebrate this special day the children not only dressed up, but also enacted as one of their family members on 10.05.22. The children made beautiful photo frames to put their family picture and also learnt and made videos with their family members while singing the family song.
