Dear Children

The holiday season is the perfect time to relax and reflect on the blessings in our lives besides working towards enhancing our skills. This year, we have tried to keep the Holiday Homework simpler yet informative and more interesting. The intent is to promote not only academic learning through interesting assignments but also activities which can gradually become hobbies.

Here are a few suggestions for you:-

- Make sure to spend quality time with your family.
- Help your mother in the household chores.
- Read interesting books and watch good English programmes.
- Play indoor games with your family.
- Follow the instructions given by your teachers and try to complete your HHW independently.

Take care and stay safe !!

Life's Little CELEBRATIONS

A celebration is a special event that is organized to bring happiness back into our lives. It can be an act or a process of showing appreciation, gratitude or remembrance. Choose any of the following:

TASK 1: Community services are a great way to connect with society and celebrate humanity. Here are some of the activities that you can initiate with the help of your parents:

A) Book Drive

Collect storybooks from your home and neighbourhood and donate them to the local homeless shelters or children's hospitals.

B) Writing cards to the soldiers of the armed forces is a great way to support our troops. It also gives us an opportunity to know the history of their heroic deeds. Make a beautiful card and upload it on GC.

C) Spend Time with your Grandparents

Grandparents love spending time with their grandchildren. Singing, playing, reading, listening to stories will be a good way of celebrating love with the seniors. Select any one of your favourite stories and write it in your own words on an A4 sheet.

Task 2: World Environment Day is celebrated on 5th June every year.

In a Project File answer the following questions:-

- What is the theme for World Environment Day 2022?
- Who started Environment Day?
- Cut out any two news items from the newspaper on Environment Day and write them in your own words. (5-8 sentences)

Please Note:

- Click your pictures while doing the activities.
- Make a collage and upload the same on Google Classroom.
