PRIMARY DEPARTMENT

HOLIDAY HOMEWORK

SESSION 2022-23

CLASS V

Dear Children

The holiday season is the perfect time to relax and reflect on the blessings in our lives besides working towards enhancing our skills. This year, we have tried to keep the Holiday Homework simpler yet informative and more interesting. The intent is to promote not only academic learning through interesting assignments but also activities which can gradually become hobbies.

Here are a few suggestions for you:-

- Make sure to spend quality time with your family.
- Help your mother in the household chores.
- Read interesting books and watch good English programmes.
- Play indoor games with your family.
- Follow the instructions given by your teachers and try to complete your HHW independently.

Take care and stay safe !!

TASK-1 Using games and activities is a great way to help children learn about healthy eating while having fun at the same time!

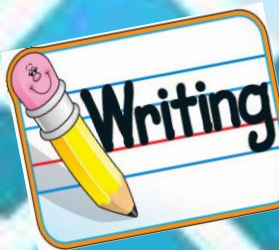

ACTIVITY- MASTER CHEF (Cooking Without Fire)

TASK-1

Make a healthy snack or salad without using fire. Write down its recipe on an A4 sheet; click some photographs while making the dish. Paste the photographs taken while doing the activity along with the recipe.

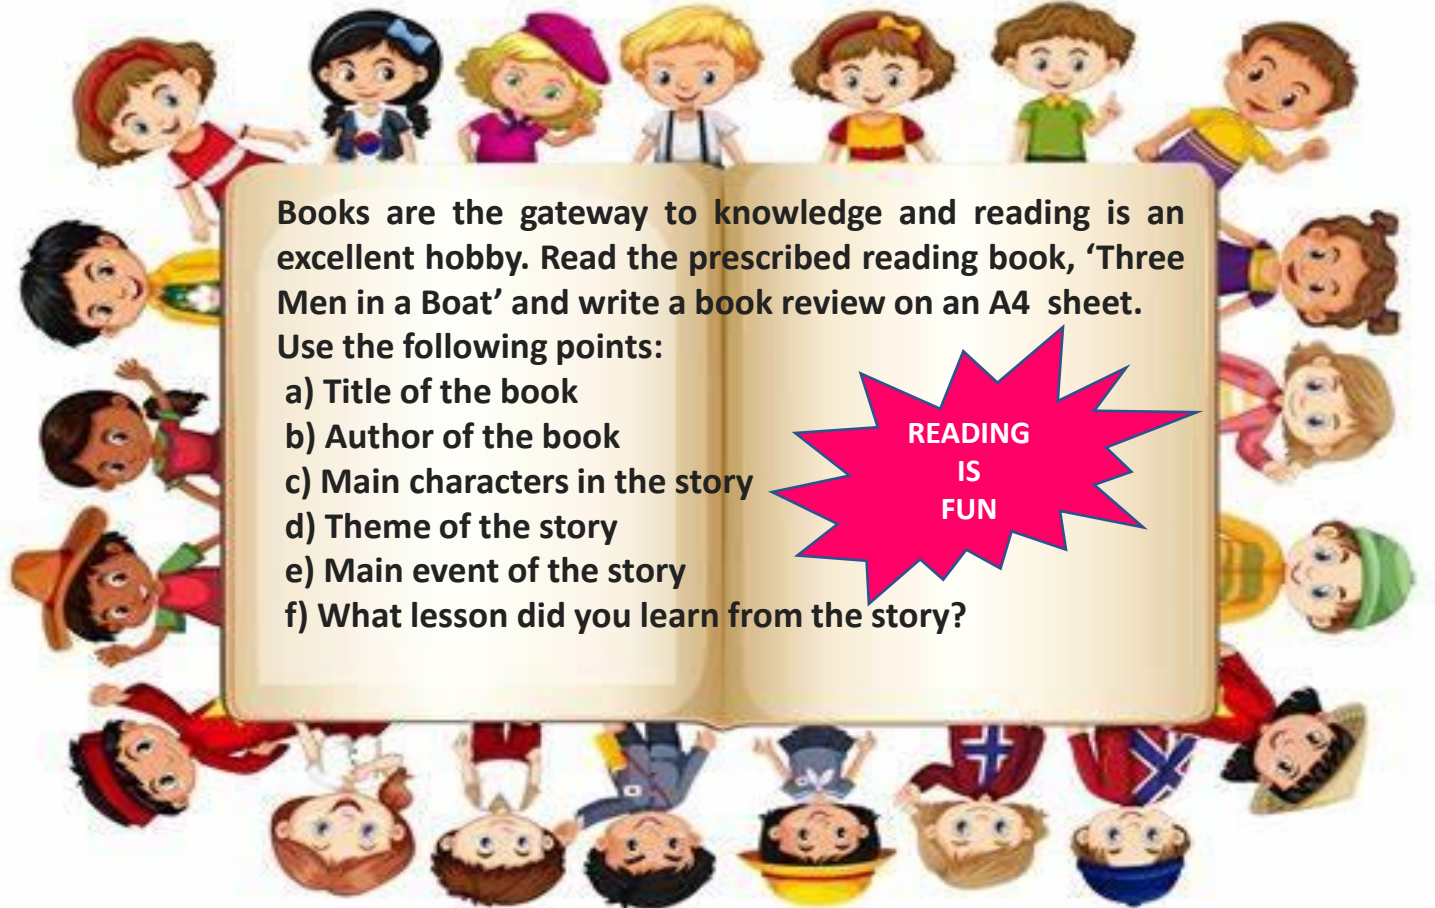

TASK 3

Do one page handwriting practice in the 'Rhythm in Writing' notebook every alternate day. (You can use a blank English notebook for the same in case 'Rhythm in Writing' is not available.)

ENGLISH

TASK-2

Books are the gateway to knowledge and reading is an excellent hobby. Read the prescribed reading book, 'Three Men in a Boat' and write a book review on an A4 sheet. Use the following points:

- Title of the book
- Author of the book
- Main characters in the story
- Theme of the story
- Main event of the story
- What lesson did you learn from the story?

READING IS FUN

Fun Learning

MATH

SOLVE THE CUTE MATH RIDDLES and write the answers in your Math notebook .

(D)
My tens digit is one more than my hundreds digit.
My hundreds digit is an even number between 5 and 7.
My ones digit is the number of vertices on a triangle.
What am I?

(d)
I'm < 200 and > 130 .
I have three tens and twice as many ones.
What am I?

(I)
Two of my digits are even, but my ones digit is odd.
The sum of my digits is 11.
I'm between 256 and 299, and I'm not 281.
What am I?
