WORLD ENVIRONMENT DAY

World Environment Day was celebrated with great zeal and ardour in the Preschool on 6th May 2022. Children were familiarized with their immediate environment including flowers, trees, sky, insects, birds etc. and they learnt to appreciate everything that earth has given and promised to take steps towards protecting the environment. A craft activity was done where in children did paper crumpling activity to create a tree. Importance and simple facts about trees were made aware to children. Children sang a short rhyme about protecting trees. A handout was sent to the parents suggesting some activities that can be inculcated in everyday life to practice sustainable living.

WORLD FAMILY DAY

World Family Day activity was organized for Preschoolers on 11.05 22. As this day is marked to celebrate the bond of families, children created photo frames by pasting pictures of their family in the form of a collage. A parent handout was sent to the parents mentioning the benefits that can come from having more engaged, quality experiences with their family. Few interesting activities were suggested to spend quality time with their children.
