EVENTS**

# ANNUAL DAY

**Bal Bharati Public School, Pitampura celebrated the Annual Day of the Middle and Secondary Department with zeal and fervour on 18<sup>th</sup> April, 2022 in the offline mode. The chief guests for the event were Ms. Rekha Sharma, Secretary, Bal Bharati Public School, Pitampura and Ms. Nanu Rekhi, Advisor, Pre Primary Department. The programme commenced with the auspicious lamp lighting ceremony. The efforts of the student achievers were acknowledged during the prize distribution ceremony and they were motivated to continue to strive for excellence. The cultural events were a beautiful display of the colourful extravaganza and the talent of the students. The ballet, dance recitals and the orchestra were a treat to the eyes. The effort and talent of the students left the parents spellbound.**

# FAREWELL

**The students of Class XII, Batch – 2021-22, were given a farewell on 26<sup>th</sup> March, 2022, in the School Auditorium by the students of Class XI. The cultural extravaganza was imbued with excitement and joy as students put up hilarious stand-up comedy acts, delivered emotional speeches, gave melodious renditions and grooved to the foot tapping dance numbers.**

*Farewell.*

**I hope you have infinite  
accomplishments in your  
future career.**

**Good Luck!**

# FAREWELL

**Farewell for Class XII, Batch 2020-21, was organised in the school auditorium on 21st May, 2022. The programme included spell-binding performances by the students of Class XI who made the day memorable for the students of Class XII with their captivating dances and melodious musical performances.**

# THANKSGIVING DAY

**‘Thanksgiving Day’ was celebrated by the children of Preschool and Pre-Primary on 20<sup>th</sup> July, 2022. The true meaning of ‘thanksgiving’ was explained to them, and they were encouraged to say thank you to everyone and for everything they have in life, on a regular basis, like God, food, clothes, family, toys etc. The students made a collage and created a ‘Gratitude Gallery’ outside their classes.**

# THANKSGIVING DAY

# STAFF EXCURSION

**The first day after the Summer Break was made entertaining and delightful for the staff members as they were treated to the movie ‘Jug Jug Jiyo’ and delicious snacks at DLF, Promenade on 1<sup>st</sup> July, 2022.**

The background is a vibrant, low-poly geometric pattern composed of numerous triangles and polygons. The colors transition from warm yellows and oranges at the top to cooler blues and purples at the bottom. A prominent orange banner with a thin purple border is centered horizontally across the image.

# **COUNSELLING AND MENTAL HEALTH**

**The Life Skills classes focus on the socio-emotional development of the students by helping them understand and manage their emotions, set positive goals, manage time and stress and at the same time encourage them to address and manage their fears. The following sessions were conducted by the School Counsellors across all classes:**

- **Time management**
- **What is anxiety? How to deal with it?**
- **Mindfulness**
- **Analyzing Study Habits**
- **Bullying**
- **Exam Anxiety**
- **Kindness and Empathy**
- **Peer Pressure**
- **Body Language**
- **Power of Saying Thank You**

# COUNSELLING AND MENTAL HEALTH

It is all about U!

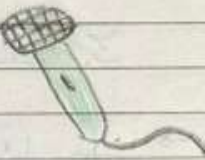

## LOVE ♥ YOURSELF

- One thing I do really well is sing
- 3 Compliments I want to give myself:-
  1. I am the best. - True
  2. I am very pretty and sweet-hearted.
  3. I am very helping and caring.
- I will love myself! U have to !!!
- I will look at the mirror and say.  
You are the best and I love you!

Fun.

## Ted Talk Takeaways

- Best things can't be counted.
- Spend time with family and friends as that's what matters.
- Marks or degrees don't count, love and happiness does!
- Be happy!

Enjoy!

The things that count can not be counted but the things that do not count cannot be counted.

- Video name → What makes life worthwhile?

# COUNSELLING AND MENTAL HEALTH

**Remedial classes are conducted to develop necessary core skills and bridge the learning gaps among Children With Special Needs. The emphasis is on core skills like reading, writing and arithmetic through multi-sensory strategies, to meet the unique learning needs of a learner.**

# **COUNSELLING AND MENTAL HEALTH**

**To commemorate the Mental Health Wellness Month, a series of creatives were shared by the School Counsellor, Ms. Saneeya Kapoor, in April 2022, to help the children remain mentally and emotionally strong in the face of all challenges and adverse times.**

## MENTAL WELLBEING

“Mental health problems don't define who you are. They are something you experience. You walk in the rain and you feel the rain, but, importantly,

## Mental Wellbeing

Just because you don't look like somebody you think is attractive, doesn't mean you're not attractive. Flowers are pretty but so are christmas lights and they look nothing like each other.

*We all have our own spark that contributes to us being unique and beautiful.*

Ms. Saneeya Kapoor

## WHAT SELF-CARE CAN LOOK LIKE?

1 Putting your gadget aside and just resting your eyes.

Sit quietly and use your breath to come back to the present moment

3 Play some relaxing music

Make a cup of coffee and

## MENTAL WELLBEING

Instead of Doubting yourself, try saying

I will fail and embarrass myself

→ I'm proud of myself for trying, this is what courage looks like.

Everyone will judge me if this doesn't work out.

→ I won't let other people's opinion dictate how I choose to live my life.

I have never done

This is an opportunity to grow into a wiser version of myself.

I am still learning. I honour the time required for this process.

Ms. Saneeya Kapoor

## MENTAL WELLBEING

If feelings could talk...

**SADNESS** might be telling me I need **TO CRY**

**LONELINESS** might be telling me I need **CONNECTION**

**SHAME** might be telling me I need **SELF-COMPASSION**

**RESENTMENT** might be telling me I need **TO FORGIVE**

**ANXIETY** might be telling me I need **TO BREATHE**

**ANGER** might be telling me I need to **CHECK-IN WITH MY BOUNDARIES**

**STRESS** might be telling me I need to **TAKE IT ONE STEP AT A TIME**

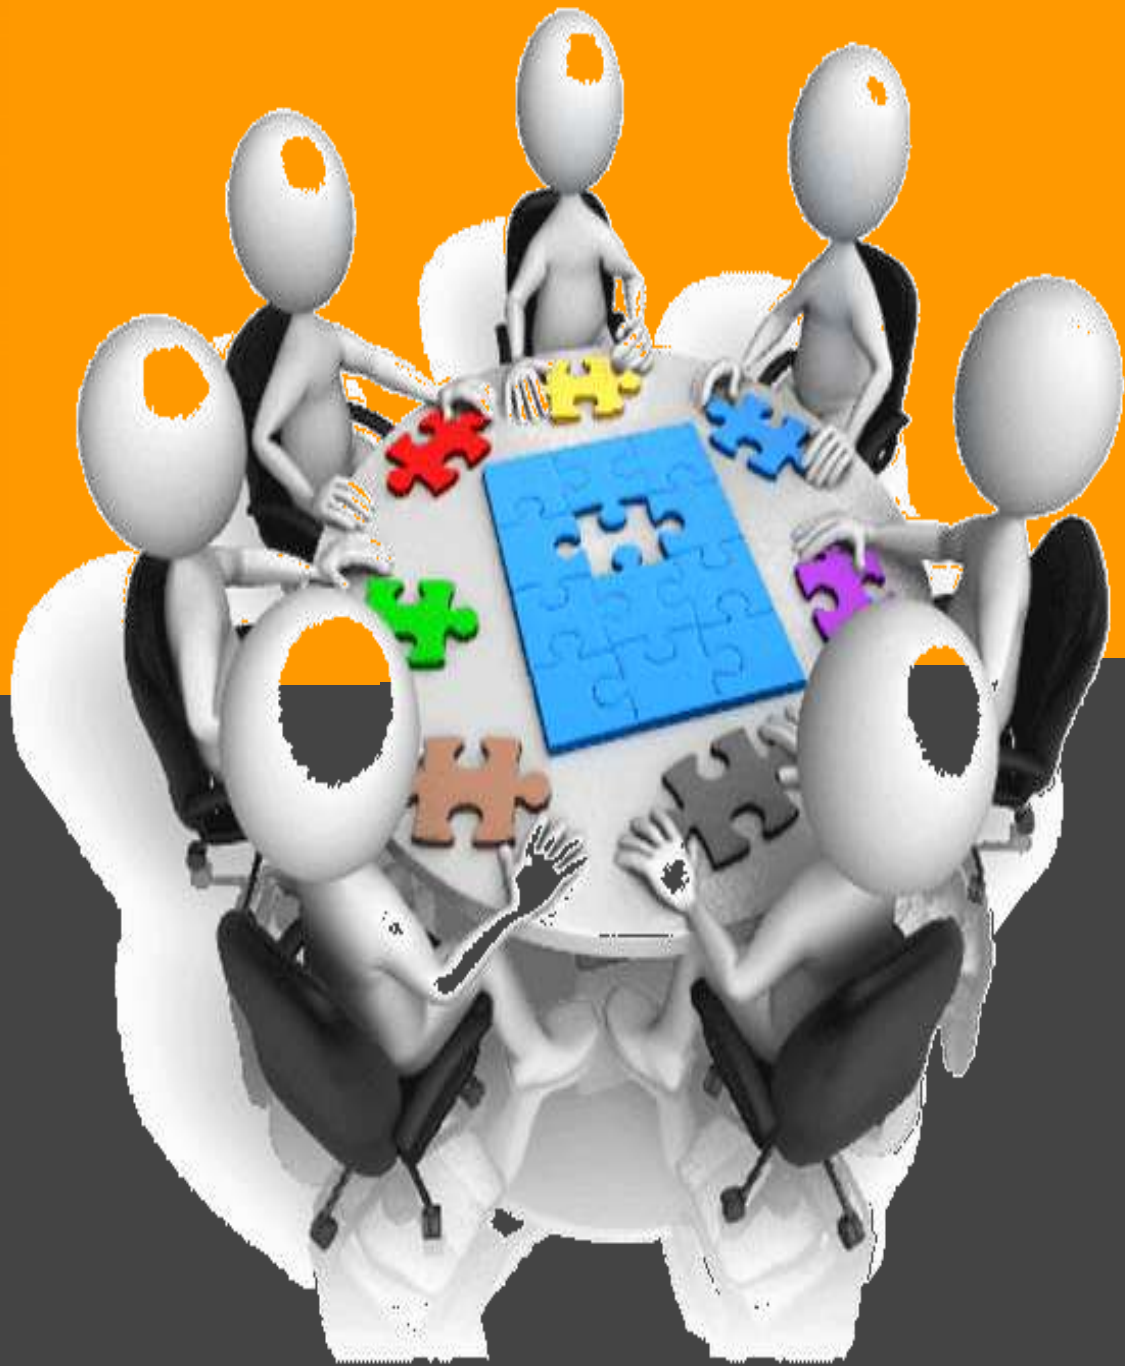

Take it all one step at a time...

# **TOY PEDAGOGY**

**Child Education Society organised a Capacity Building Workshop on Toy Pedagogy for the teachers teaching Classes I to V in all units of Bal Bharati Schools. The resource persons for the same were Ms. Seema Wahi Mukherjee and Mr. Tushar. The aim of these sessions was to help teachers enhance their teaching skills and make teaching-learning process more engaging by adopting 'Toy Pedagogy' as an integral part of the same.**

# **TOY PEDAGOGY**

**The approach was flexible in nature and provided the learners with opportunities like exploring, imagining, observing, creating, expressing and most importantly, engaging and playing with things in their surroundings. Besides its multifarious benefits, Toy Pedagogy helps children to come out of their shells, think creatively, experiment, develop communication and collaborative skills while also beautifully offering inclusivity to children with special needs.**

**Colorful Toy Corners have been created in the Pre-Primary and Primary libraries where the toys created by teachers are displayed.**

# TRAVERSING THE BOUNDARIES

To enable them to become global citizens, the students of the Primary Department are exposed to various customs, cultures, and traditions by introducing songs from different countries around the world. During the months of April and May 2022, the students learnt ‘Malaika’ which is a Swahili song written by Tanzanian musician Adam Salim in 1945. This song is possibly the most widely known of all Swahili songs in the world. Malaika in the given context means ‘angel’ in Swahili.

## IF I WERE GIVEN A CHANCE...

I HAVE ALWAYS WANTED TO BE A SCIENTIST BECAUSE THERE IS A WONDERFUL THRILL THAT COMES FROM UNDERSTANDING SOMETHING, CONTENTMENT AND EXCITEMENT AS WELL. IT IS AMAZING THAT YOU ARE THE FIRST ONE TO THINK OF SOMETHING. I AM VERY INFLUENCED BY ALBERT EINSTEIN.

HE INVENTED THE GAS ABSORPTION HEAT PUMP AND THE EINSTEIN'S REFRIGERATOR

HE IS A GERMAN BORN SCIENTIST WHO WON THE NOBEL PRIZE FOR PHYSICS IN 1921 FOR HIS EXPLANATION OF THE PHOTOELECTRIC EFFECT

HE WAS BORN IN ULM, GERMANY, 14 MARCH 1897

WHAT DID HE LIKE TO DO? WHEN EINSTEIN ATTENDED COLLEGE AT THE POLYTECHNIC INSTITUTE IN ZURICH, SWITZERLAND, HE FELL IN LOVE WITH SAILING. HE WOULD OFTEN TAKE OUT A BOAT ONTO A LAKE, PULL OUT A NOTEBOOK, RELAX, AND THINK. EVEN THOUGH EINSTEIN NEVER LEARNT TO SWIM, HE KEPT SAILING AS A HOBBY THROUGHOUT HIS LIFE.

## If I were

I want to become an I.A.S officer. I am inspired by many officers. But the one who has inspired me the most is Shrawati Jayant Deshmukh. She wanted to be an ITan but she did not clear the exam of ITIT and she decided to be an I.A.S officer. She was doing engineering and side by side she was studying for U.P.S.C. In U.P.S.C we get 6 attempts and she cleared U.P.S.C in first attempt and because I.A.S by getting fifth rank. Her hardwork and sincerely motivates me. By becoming an I.A.S officer she can help everyone around her by making positive contribution to their life. I want to become like her so that I can help the needy people truly and to the best of my abilities. I wish to serve my nation. I will make it proud.  
THANK YOU

# DIGITAL LIBRARY

Students across all classes were given an access to a Digital Library to read any book on their tab, PC or smartphone. The parents and students are quite appreciative of this initiative.

Keeping pace with the evolving times, the Senior Secondary Department has the '*My Classroom Digital Bookshelf*' via Google Classroom. The Digital Bookshelf is a repository of different books, reference materials, assignments, sample papers, links of relevant websites, YouTube videos, Podcasts and other related academic resource material.
