SPECIAL EVENTS/ SCHOOL EVENTS/ DAYS CELEBRATED: -

❖ Annual Day – Primary Department – Palette – The Colours of Life: -

The Primary Department hosted its Annual Day – ‘Palette – The Colours of Life’ on Friday, 30th September 2022 in the School Auditorium. The Annual Day was showcased twice on the same day. Smt Kalamandalam Radha Marar, a renowned Bharatnatyam and Mohiniattam dancer presided over as the Chief Guest for the morning show while Mrs. Renu Jain, ex-Principal K. R. Mangalam School, graced the occasion as the Chief Guest in the evening. The theme chosen for the occasion was that of the Mughal era and the entire event was beautifully woven around it. The cultural extravaganza comprised of vibrant dance and musical items, such as the Durga Dance, Sufi Dance, foot tapping Western Dance performances and melodious English Song. Prize Distribution ceremony was also held in the evening wherein the meritorious students of 2021-22 who had brought laurels to the school in various competitions were felicitated as a token of appreciation. The annual event commending curricular and co-curricular excellence in students proved to be a mesmerizing and memorable day for the participants as well as the audience.

SCHOOL CLUBS

❖ Green Warriors and Gardening Club: -

Planting trees is important to protect our environment against air pollution and global warming. With an aim to make the students of Classes 3 to 5 understand this and take a pledge towards preserving our beautiful planet, the Primary Department organised ‘The Plantation Drive’ under the ‘My Tree Program’. The students participated in the same with great zeal and enthusiasm, planting a sapling in the DIY Planters made using old Single Use Plastic bottles. This further helped in raising awareness and consciousness about the environment among the masses. As many as **350 planters** were created and hung up in the Primary as well as the Auditorium Building. The drive proved to be a catalyst in empowering students with substantial knowledge about the environment and plants.

❖ **Excursion – CWSN students – Teeny Town: -**

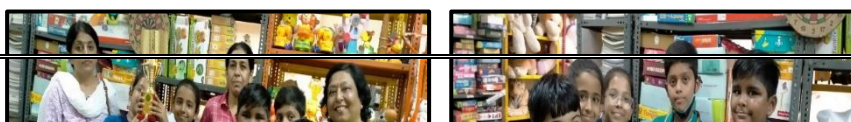

Excursions and field trips play an important role in educating children. Keeping this maxim in mind, the counsellors planned an excursion to Teeny Town for our Children with Special Needs, a play area in Punjabi Bagh on 2nd September 2022. The students got a chance to learn new things in a practical manner and explore new play areas. This excursion helped them to develop a sense of adventure along with adopting better social skills.

❖ **Community Outreach Programme – Visit to Toy Bank – Adharsheela Vidyapeeth: -**

“It is every man's obligation to put back into the world at least the equivalent of what he takes out of it. No act of kindness, no matter how small, is ever wasted.”

Following these noble thoughts, the students, and teachers of the Primary Department came together to collect toys, colouring material and games for the children who are less privileged than them. The students, parents as well as teachers of the department donated toys, material and games that are in good condition and could brighten up the day of a child. A group of 5 students and 2 teachers of the department paid a visit to the Toy Bank at Adharshila Public School in Pitampura on 7th September 2022 to donate the same. This act helped students imbibe the virtue of being kind and further strengthen their belief in being ready to contribute towards making this planet more friendly and sustainable.

❖ **SDG Activity:** -

Students of Class 4 of the Primary Department collaborated to creatively represent SDG-13 Climate Change by making a beautiful Bulletin Board on the topic 'Say No to Climate Change'. The informative board depicted different ways to prevent changes in the climate. The teachers first discussed the theme with the students and highlighted the importance of the selected SDG. The students came up with ways in which they could contribute to reduce Global Warming. The same was then presented by them in the form of a bulletin board. It was an enriching experience for all involved.

❖ **Cleanliness Drive:** -

Cleanliness is a habit, not an act. In order to internalize and inculcate cleanliness as a habit and routine, a 'Cleanliness Drive' was conducted in the Primary Department on Wednesday, 14th September 2022. Under the watchful guidance of the teachers, the students of Classes 3 to 5 cleaned the nooks and corners of their classrooms and corridors. This drive was a huge success as it very well spread awareness and instilled the value of cleanliness and its benefits among the young learners.
