

# ACTIVITIES OF DECEMBER 2022-23

## CLASS II

### LET'S EXPLORE SCIENCE

In our endeavor to impart experiential learning, class 2 had organised an intra and inter class science competition- 'LET'S EXPLORE SCIENCE' on 25.11.22 and 19.12.22 respectively. The students showed great enthusiasm and performed variety of experiments, demonstrating the relevance of science in everyday life. Like any other competition, in the end, the winners had their proud moments.

## Bharat Darshan Park

An educational excursion to Bharat Darshan Park was organized for the students of Class 2 on 15<sup>th</sup> and 16<sup>th</sup> December 2022. The children saw replicas of the famous monuments of India made from waste material. They also learned important facts related do these monuments. Overall, it was a enjoyable excursion for the students. The students also did a worksheet related to Bharat darshan park when they came back to school.

### **Christmas Assembly**

Christmas was celebrated by the students of class 2 on 20<sup>th</sup> December 2022. Song, Play(Elves and the Shoemaker), Dance was the part of the assembly. All the children participated enthusiastically and celebrated Christmas.
