The intent is to promote not only academic learning through interesting assignments but also activities which can gradually become hobbies.

Here are a few suggestions for you:-

- **Make sure to spend quality time with your family.**
- **Help your mother in the household chores.**
- **Read interesting books and watch good English programmes.**
- **Play indoor games with your family.**
- **Follow the instructions given by your teachers and try to complete your HHW independently.**

Take care and stay safe !!

- interview any one employee of the cafe(s) visited and enquire about their best-selling beverage and find out what makes it people's favourite. (4-5 sentences)
