

An illustration featuring a large, open book as the central focus. The book's pages are white and contain text. Surrounding the book are various school-related items and children. At the top left, a boy with dark skin and curly hair holds a pencil, and a girl with blonde hair looks on. In the top center, an hourglass with purple sand is shown. At the top right, a boy with red hair and glasses holds a map, and a globe is visible. On the right side, a paintbrush with red paint is positioned vertically. At the bottom left, a girl with brown hair holds a large pencil. In the bottom center, a colorful stacking ring toy is shown. At the bottom right, a boy is lying on the ground reading a book, and a girl is standing and drawing a sun and clouds. The background is white.

SUMMER VACATION ACTIVITIES

WEEK 3

CLASS-III
(2023-24)

Dear Children

The holiday season is the perfect time to relax and reflect on the blessings in our lives besides working towards enhancing our skills. This year, we have tried to keep the Holiday Homework simpler yet informative and more interesting. The intent is to promote not only academic learning through interesting assignments but also activities which can gradually become hobbies.

Here are a few suggestions for you:-

- **Make sure to spend quality time with your family.**
- **Help your mother in the household chores.**
- **Read interesting books and watch good English programmes.**
- **Play indoor games with your family.**
- **Follow the instructions given by your teachers and try to complete your HHW independently.**

Take care and stay safe !!

MATH

Family Time!!!!!!!

1. Measure the weight of all the family members (in kg) using a weighing scale.
2. Measure the height of all the family members (in cm) using a measuring tape.
3. Note them down on an A4 sheet.
4. Write the weight in descending order.
5. Write the height in ascending order.

RESEARCH BASED PROJECT

Let's do the following task on another **A4 sheet**.
Visit any McDonald's and Pizza Hut/ Dominos during the vacations and find out the following from any waiter.

TASK 1

- **Approximately how many people visit the outlet in a day?**
- ❖ Find out the number of people visiting it in a week by doing multiplication or repeated addition.
- ❖ Which is more popular outlet between the two and by how much?
- ❖ Write the number name and numeral of both.

TASK 2

➤ **What is the most favourite food item of people which is ordered more often?**

Students to search on the internet and find how many calories are there in a Mcdonald's cheese burger and a pizza hut/ Domino's cheese pizza. Which is healthier between the two?

Write the expanded form of the calories of both the things.

For FUN- You can click the pictures while visiting these outlets and enjoying your meal. Take a printout and paste the pictures on an **A4 sheet**.

Enclose all the tasks in a beautiful handmade folder and submit.
