

A large, stylized illustration of an open book. The left page contains the text 'SUMMER VACATION ACTIVITIES' in large pink letters and 'WEEK 2' in a purple diamond. The right page features the school logo and 'CLASS-III (2023-24)'. The book is surrounded by various school supplies and children: a boy with a pencil, a girl with a globe, a boy with a ruler, a girl with a paintbrush, a boy with a stack of blocks, and a girl with a stack of papers. A large yellow protractor is on the left, and a paintbrush is on the right.

SUMMER VACATION ACTIVITIES

WEEK 2

CLASS-III
(2023-24)

Dear Children

The holiday season is the perfect time to relax and reflect on the blessings in our lives besides working towards enhancing our skills. This year, we have tried to keep the Holiday Homework simpler yet informative and more interesting. The intent is to promote not only academic learning through interesting assignments but also activities which can gradually become hobbies.

Here are a few suggestions for you:-

- **Make sure to spend quality time with your family.**
- **Help your mother in the household chores.**
- **Read interesting books and watch good English programmes.**
- **Play indoor games with your family.**
- **Follow the instructions given by your teachers and try to complete your HHW independently.**

Take care and stay safe !!

India is a land of myriad and exquisite cultures and diverse flora and fauna.

Each state has unique places or landscapes to exhilarate you.

So, are you ready to get onboard with us on an exploratory tour 'Emerald, Blue and You', to explore the spectacular jewels of India- Lakshadweep and Andaman & Nicobar Islands.

When we think of the ocean beds, corals thrill us the most. Let's explore the beautiful corals found in these pristine islands and learn a little more about them.

TASK- 1

FIND OUT!!!

(To be done in the E.V.S. Project File)

- Are corals living things or non living things?
- Are they plants or animals?
- Is global warming affecting the corals too?
- Write any 5 facts about corals.
- Paste pictures of beautiful corals

Little Hands at Work- 'KORALLION'

Make a 3D model of a coral reef using paper and present the same in class once you join back after holidays.
