Dear Children

The holiday season is the perfect time to relax and reflect on the blessings in our lives besides working towards enhancing our skills. This year, we have tried to keep the Holiday Homework simpler yet informative and more interesting. The intent is to promote not only academic learning through interesting assignments but also activities which can gradually become hobbies.

Here are a few suggestions for you:-

- **Make sure to spend quality time with your family.**
- **Help your mother in the household chores.**
- **Read interesting books and watch good English programmes.**
- **Play indoor games with your family.**
- **Follow the instructions given by your teachers and try to complete your HHW independently.**

Take care and stay safe !!
