WORLD HEALTH DAY

Pre Primary children celebrated the World Health Day on 13.4.23 based on the theme Health for All. Zumba is a good option to keep children active and energetic. So, this year, A Zumba session was organized for the children. Importance of Zumba was discussed with the children, and they enjoyed the Zumba steps a lot. It helped them channelize their energy and they had a lot of fun performing the Zumba steps.

KAHANI THELA

An in-house story dramatization show 'Kahani Thela' was presented by the teachers of Pre-Primary on 4th May, 2023, wherein they prepared teaching learning material, narrated and enacted the story "Nanhi aur uski Daadi" and came dressed up as characters in an engaging show for the children. Children were full of joy and excitement on seeing their teachers in different roles which included their favourite animals. The event was wrapped up with an interactive session for the children wherein they were asked questions to recapitulate the story. All in all the show was a success where children left happy and content.

WORLD ENVIRONMENT DAY

World environment day activity was organized for the children of Pre primary on 3rd May' 23, with the campaign – “Earth is our home and keeping it clean is foremost”. A story narration was done with the act where children learnt to keep their surroundings clean for everyone. A poem was also done in which children learnt not to throw garbage near or inside the water bodies to protect the environment.
