

BAL BHARATI PUBLIC SCHOOL PITAMPURA
APRIL - MAY ACTIVITIES
PRESCHOOL
World Health Day

Good hygiene is one of the most important aspect of healthy lifestyle. The children of Preschool celebrated **World Health Day on 13.4.23**. The importance of washing hands was focused upon through a glitter activity to show that germs pass on from one person to the other. Steps involved in washing hands were performed by the children along with the teachers. A handout related to the same was sent to the parents.

Children Sports Festival

Children of Preschool and Pre Primary enthusiastically participated in a sports festival-"Azadi ka Amrit Mahotsav". Children played indoor board games like Ludo and carrom board that helped them to develop their fine motor skills and learn about numbers. They also enjoyed few outdoor activities like tug of war and engaged in physical activities and few races. This helped children to build a connect among themselves as they gathered as a team to win the game.

World Environment Day

World Environment day activity was organized for the children of Preschool and Pre primary on 2nd and 3rd May 2023, with the campaign – “Earth is our home and keeping it clean is foremost”. A story narration was done with the act where children learnt to keep their surroundings clean for everyone. A poem was also done in which children learnt not to throw garbage near or inside the water bodies to protect the environment.
