

BAL BHARATI PUBLIC SCHOOL, PITAMPURA, DELHI – 110034
PRIMARY DEPARTMENT – APRIL ACTIVITIES

Investiture Ceremony

The much-coveted event of the year, the 'Investiture Ceremony', for the session 2023-24 was held in the Primary Department on 6th April 2023. With great pride and zeal, the outgoing Prefectorial Team handed over the charge for the upcoming session to the incoming team members who shared their feelings through overwhelming speeches. March Past and Oath Taking Ceremony added to the grandeur of the ceremony.

Satrarambh and World Health Day Assembly

A special assembly on Satrarambh and World Health Day was held in the Primary Department on 18th April 2023. The assembly started with the invocation dance, seeking the blessings of Lord Ganesh and Goddess Saraswati. This was followed by speeches and a musical rendition to welcome the students to the new academic session. Afterwards, students shared information regarding the importance of health and nutrition in our lives. The assembly was enriching and was well appreciated by everyone.

Autism Awareness Week

To make everyone aware of what Autism Spectrum Disorder is, students of the Primary Department celebrated Autism Awareness/Acceptance week from 19th to 23rd April, 2023. They saw a short movie on Autism and reflected their views by participating in verbal discussion about it. They made posters and joined the awareness walk along with the students from Montessori and Senior school. This highlighted their support and vigour to make our world a better place for the people on the spectrum.

Awareness Drive by the Appointments

The Prefectorial Team of the current session (2023-24) initiated an Awareness Drive, and went to all the classrooms, to sensitize the students about following the rules and regulations of the school regularly.

School Tour by Class 3 Students

Each new academic year at Bal Bharati Public School, Pitampura brings joy, excitement and anticipation of the many opportunities and experiences lined up. Keeping up with this tradition, the teachers of class 3 gave their students a tour of the Primary Department, wherein they visited the dance room, music room, swimming pool, medical room, art room, Junior library and Primary Computer lab. The students were made to feel welcomed in the new department which would be their playground to experiment with various activities and experiences.

CWSN Educational Excursion to 24-7

An educational trip was organised for Children with Special Needs to 24x7, CD Block, Pitampura on 15th April, 2023. This was done with an objective to make them independent in everyday grocery shopping, to enhance their shopping skills, and to give hands on experience in dealing with money. It further enhanced their motor skills, social interaction, learning about food items and ingredients. Children brought their adaptive shopping list, bags and a nominal amount of Rs. 200-300. They searched for the items on the list, and also took help of the salespeople present there. We could see their eyes lit up on seeing their favourite items and the happiness they had on their faces while dealing at the cash counter was also unmatched.

News Reel

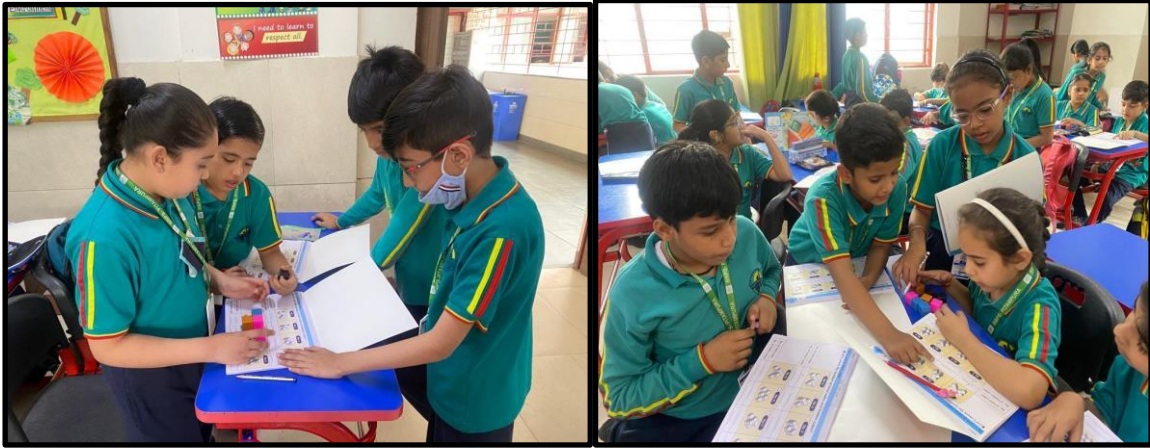

The 'News Reel' initiative of the Primary Department helps give better stage exposure to our students and help them become confident orators, thereby proving to be an effective means towards enhancing their Communication Skills. Students of Class IV A showcased their talent by presenting the newsreel in the month of April.

Shin Program

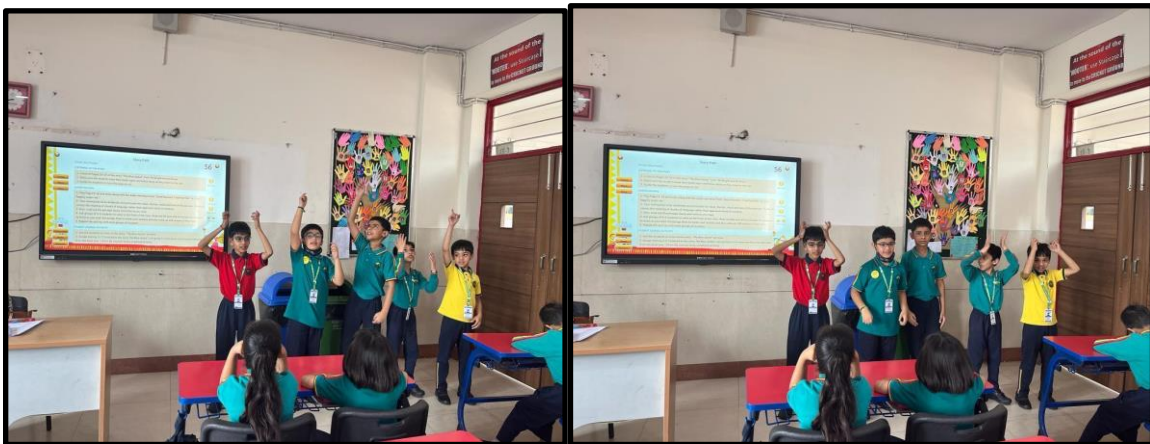

With an aim to make the teaching – learning process more enriching and the classrooms a happy place to be, the Primary Department has initiated Shin:Japanese style Experiential Holistic Learning Program* for the students of Classes III- V.

The aim of this Hands-on activity based learning program, running as a part of the curriculum focuses on the integrated development of children and improving their 21st-century skills.

Karadi Path

To adopt a unique, effective and creative pedagogy for language learning for the Primary students, our school has collaborated with Karadi Path Education Company. Karadi Path develops and oversees implementation of English language programmes evolved after researching and reinventing the way language is learnt in classrooms. The sessions for the same are taken twice a week within the school hours. A specialized kit has been provided to all children enabling them to reinforce the sessions covered in school at home as well. The Karadi Path methodology comprises of four modules, Action, Music, Reading and Story and integrates features of theatre to capture the elements of natural language acquisition. Its non-linear and non-instructional approach allows children to learn English by discovery, by intuition, and by sensory engagement.

Multiple Intelligence Camp

A day camp based on Multiple Intelligences was structured by *Primary Plus* in the school premises from *25th April, 2023 to 27th April,2023* for the students of *classes 5, 4 and 3* respectively.

It offered an assortment of fun-filled and adventure activities like Radio Jockey, Aerobics and Dance, Pottery, 3D- Doodler, Theatre, Science and Fashion Academy. The camp had an optimistic, safe, energetic and conducive environment which magnified the overall experience of the

students. The staff was extremely courteous and hospitable. Children thoroughly enjoyed every bit of it.

SCHOOL CLUBS

❖ Eco Club

ECO CLUB of the Primary Department organized a PLANTATION DRIVE in the school premises on 27th April, 2023. The Head Mistress of the Primary Department, Ms. Kajal Sachdeva launched the programme by planting a Sapling in the front lawn.

Our Green Warriors took an active part in the drive enthusiastically, spreading the message of significance of "Trees : as the Root of our Existence", through placards, slogans and a song.

❖ Literary Club

It's the place where students are free to think, speak and write on the topics of their interests and choice. This is also a forum where students share their insights on different hot topics. In the inaugural week, Happy Morning Mantras were shown to the students and brainstorming was done to finalise the theme of upcoming morning mantras.

❖ **Pinnacle Club**

An informative workshop as part of the CYBER CHAMP SAFE PROGRAM was organised by CYBERYAMI. The children were given an insight into the difference between the real world and virtual world. Various tips and information were shared through ppt, videos and QA sessions on being cybersafe. The students attempted an online quiz to test their knowledge on cyber safety.

❖ **Crust & Cream Club**

Children prepared Nacho Chaat which is a fusion of Indian and Mexican cuisine.

Tiger Trust Workshop

"Water is life and clean water is health."

An online workshop was organised by the Primary Department for the students of Classes 4 and 5 on 18 April, 2023. Ms. Anjana Gosain, Chief Functionary Officer, Tiger Trust and Ms Shalini Nair conducted a very thoughtful and engaging session on the significance of water in our lives. They made students aware of the scarcity of water and other challenges surrounding it. Conservation of water was also talked about in detail. Students took a pledge to use water judiciously.

CACA & LIFE SKILLS

Students of Classes III, IV, and V did the CACA unit – Self Awareness. Students were asked to share the things they do to make themselves feel good and proud. To make the students emotionally intelligent and to teach them to develop a habit of doing good, the topic of ‘Self Awareness’ from CACA was discussed in Classes III, IV and V. They were explained to name their feelings and emotions. Children learned that growing up means taking help and helping others and that being different doesn't mean being unequal.

GAM(Global Astronomy Week)

Global Astronomy Month (GAM): a celebration month of Astronomy is being celebrated throughout the world. During GAM, the students of the Primary Department got the chance to take part in a number of interesting activities.

- **SUN Day** **Event** was organized in school for the solar observation on 25th April, 2023. Students of Classes 3 and 4 assembled in the skating rink with their respective teachers and were awestruck by the magnificent solar view through a telescope and special solar observation goggles.

- On 20th April 2023, the students of Class 3 created some colourful artefacts like Astro bookmarks, Astro bands and Astro crowns taking inspiration from awesome celestial objects.

- Students of class 5, actively participated in the *ASTROFOOD* activity held on 24th April 2023, creating bright and colourful 3D models of rockets and planets, using pieces and cutouts of fruits and vegetables. This helped in generating their interest in astronomy, as well as help them learn the art of salad decoration and table laying.

- Students of class 4, actively participated in the activity held on 24th April, creating bright and colourful 2D and 3D models of rockets, galaxies and constellations, giving wings to their imagination.
