**World Environment Day and Earth Day Assembly**

All the students of Classes IV C, IV G and V I presented a special assembly on **World Environment Day and Earth Day** on 4th May, 2023. The audience was enlightened about the need to save our Mother Earth through a street play, a mime act, speeches, placards, pledge, enthralling music and dance performances.

## **Workshop for Parents- Mindful Lifestyle**

Bal Bharati Public School, Pitampura in association with CACA organized a workshop for parents on 19th May, 2023. The speaker Ms. Roshni Mehta (Clinical Psychologist from Fortis Hospital, Shalimar Bagh) discussed mindfulness exercises like ice cube, reading thoughts, anchor breathing, walking mindfully, eating and drinking mindfully, aerobics, yoga and many more. Ways to improve attention and concentration by changing lifestyle patterns were discussed.

## **News Reel**

The 'News Reel' initiative of the Primary Department helps give better stage exposure to our students and help them become confident orators, thereby proving to be an effective means towards enhancing their Communication Skills. Students of Classes IV B and IV D showcased their talent by presenting the newsreel in the month of May.

## **Shramdaan Activity**

The Primary Department celebrated **Shramdaan Hour** on Tuesday, 9th May, 2023 to instill the importance of cleanliness, dignity of labour and green environment among the students. It was thoroughly enjoyed by the students who left no stone unturned to make their classes and the corridors sparkling clean. Therefore the aim of teaching the students 'Cleanliness is next to Godliness' was beautifully achieved.

### **Shin Program**

Shin activity is done once every week in zero period as per the following schedule :

Class 3 - Wednesday

Class 4 - Monday

Class 5 - Tuesday

This program presents teachers and students with a unique opportunity to engage in professional development, improve learning outcomes and prepare children for the challenges and opportunities of the future. In order to empower the students with logical thinking and creativity, Activity 1 and 2 of SHIN PROGRAM, Level 4 were done in Classes 4 and 5 based on various hands-on activities related to Math with Japanese style group learning methodologies. The main focus is the complete development of children, Soft skills (Non-cognitive abilities) & Essential skills (Cognitive abilities) through the Japanese style learning program.

### **School Clubs**

#### ❖ **Spark Club**

The Spark Club of the Primary Department organized the **Kindness Corner** in the school premises on 6th May, 2023 with the aim of inculcating community service and skill training to the future citizens of the country.

A stall displaying in-house planters was put up along with the cartons collecting the stationery items donated by the parents.

The event was a huge success as it motivated our students in learning entrepreneurial skills and the parents came forward in its support wholeheartedly. 50 planters were sold by our little entrepreneurs within 2 hours. They were overjoyed with this accomplishment.

❖ **Eco Club**

On account of Mothers' Day, students of the Eco Club made cards with the theme 'MOTHER EARTH'. These included a message expressing their love and appreciation for the Earth. Students shared their creations with each other and discussed the importance of taking care of the planet we call home. This activity helped in promoting awareness about environmental issues and showing gratitude for the planet.

**National Technology Day**

NATIONAL TECHNOLOGY DAY is celebrated on 11th May every year to commemorate the tech giants and researchers in technology.

The Primary Department organized a **Poster Making Activity** on this year's theme- '**Hi Tech**', on Tuesday, 09th May 2023. Students made informative posters on the '**Hi Tech Gadgets**' used in our day-to-day life and '**Artificial Intelligence - a blessing**'.

## **Prabha Khaitan Foundation Workshop for students**

An online workshop was organised on Friday, 5th May '23 for the students of Classes III and IV based on a short Animated Film "**When the colors ran away**". The session proved to be quite enriching for the students.

## **CWSN Summer Camp**

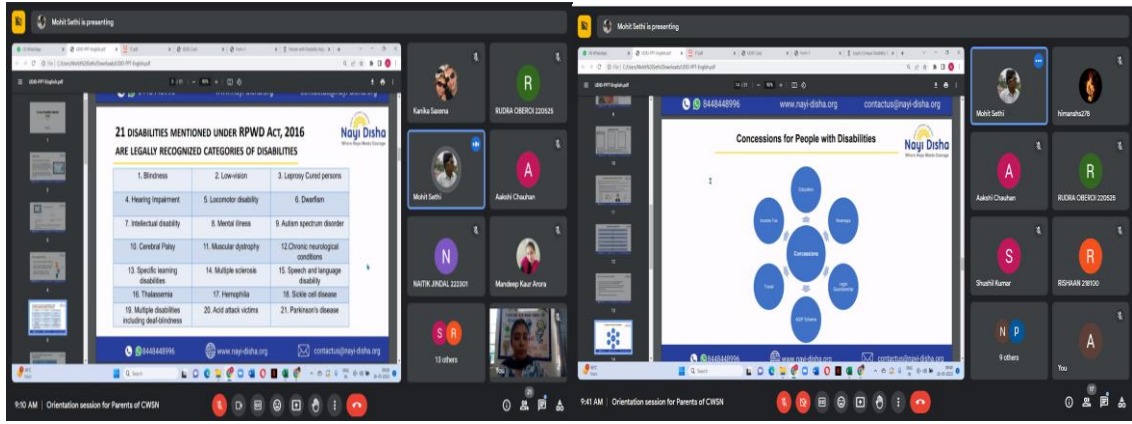

A summer camp was organised for children with special needs from 15th to 25th May, 2023. Students participated and did many activities like yoga, dance, jump bunch, pottery, movie screening, muffin decoration, nursery visit, shopping, art and craft. The camp ended with an excursion to **Bouncing Pouncing**, an indoor play area and certificates were given to the students to boost their confidence.

## **Orientation Programme for CWSN parents**

An online Parent Orientation Programme was held on 26th May'23 for the parents of children with special needs. It served as an excellent prelude to bond school, parents and students for the common goal- the progress of the child. Parents and students got to know what to expect in the coming year and equipped themselves for it. This orientation aimed at enlightening the parents of special needs about the Unique Disability Identity Cards issued by Government hospitals.

Mr Mohit Sethi from DOE was invited for the session where he described detailed steps to enroll for a UDID card. Also, benefits of the card and related schemes like financial benefits, travel with CWSN, tax benefits, Health Insurance, ADIP scheme, legal guardianship, etc. were explained to the parents.

## **Donation Drive**

A group of 5 students and a teacher from Prateek Special School visited our school on 25th May '23 under the Community outreach programme. Students from our unit shared the stationery items along with some snacks with the group. Students from both the schools interacted with each other. It was a good learning experience for our children.
