

# BAL BHARATI PUBLIC SCHOOL, PITAMPURA

## AUGUST ACTIVITIES

### PRESCHOOL

### Independence Day

The 76<sup>th</sup> Independence Day was celebrated by Preschoolers with great zeal and enthusiasm on 08.08.23. Children were briefed about the meaning of Independence. They were inspired to deck themselves out in the colours of patriotism. Children shouted out “Desh Bhakti Slogans”, which made the occasion special and memorable. The class teacher hoisted the Indian Flag in their respective classroom with the children and sung the National Anthem.

## RAKSHA BANDHAN CELEBRATION

Raksha Bandhan was celebrated by Preschoolers on 28.8.23. The significance of the day was discussed with them and they were shown how this ritual is performed by decorating the pooja thali. Children made beautiful rakhis which were presented to the Army soldiers' who visited our school.

## Science Experiment Day

Young minds are curious just like scientists. Keeping this in mind, Science Experiment Day was organized for the children of Preschool on 22.8.23. Teachers performed simple age appropriate experiments related to the theme 'Water'. Later, children were engaged in performing experiments. They were amazed to observe and explore water-changing color, and to see water taking the shape of the container in which it was poured.

## Visit to Iskcon Temple

To instil foundational and moral values in children, Our Preschoolers visited Iskcon Temple, took a glimpse of Lord Krishna, received blessings and prashad. They sang songs to praise the glory of Lord Krishna. Overall it was a peaceful and blissful experience for them.
