Activities for the month of December
Class II

Christmas Assembly

Classes 2 organised Christmas Assembly on 22.12.23 in the school auditorium. A Christmas Story was enacted in form of a skit. Children enjoyed singing Christmas Carols with the choir groups. A rhythmic Goan dance performance had everyone's feet tapping. It was a visual treat watching little Santas dancing on 'Jingle bells'. Santa Claus entry filled the auditorium with joy and happiness. To sensitise the children and learn the value of sharing NGO(HCRA) students were invited to be a part of our Christmas celebrations. Christmas became so meaningful by sharing and spreading love, hope and joy.

NEW FROM OLD (Activity)

To teach the 3R's of environment conservation *Reduce, Reuse and Recycle, an activity was conducted for the students of class 2 wherein the students were supposed to create something new from old. They created a new object out of the waste and eco-friendly material available at home. They used various things such as cloth bag, jeans, ice-cream sticks, bottle caps, pista shells, old socks, disposable glasses, buttons, newspaper etc. and came out with creative and innovative objects.
