

**HOLIDAY HOMEWORK
CLASS – XI (COMMERCE STREAM)
(2024-25)**

Dear Students,

*In the realm of rest and play,
Learning thrives in its own way.
With each endeavour and every quest,
May growth and discovery be at its best...*

The summer vacation brings with it ample opportunities to engage in various enriching activities. To help you stay organized and focused during this time, we have outlined a few engaging and interesting research based tasks and activities for you.

Explore the suggestions given below to ensure timely completion of the assigned tasks:

Plan Your Schedule: Before you begin your holiday homework, take some time to plan out your schedule. Set aside specific blocks of time for studying, completing assignments, and relaxing.

Prioritize Tasks: Identify the most important tasks that need to be completed and prioritize them accordingly. Focus on completing these tasks first before moving on to the less urgent ones.

Stay Consistent: Try to maintain a consistent study routine throughout the holidays to prevent procrastination and ensure that you stay on track with your goals.

Take Breaks: Remember to take regular breaks while studying to avoid fatigue. Taking short breaks can help you stay refreshed and focused when you return to your work.

Seek Help When Needed: Don't hesitate to reach out to your teachers or classmates if you need assistance with any homework assignments. Collaboration and support from others can make the learning process more enjoyable and effective.

Stay Organized: Keep all your study material, notes, and assignments organized in a designated workspace to minimize distractions and maximize productivity.

The attached Holiday Homework document contains all the relevant details pertaining to the tasks, links of the online resources to be referred to, and the modes of submission. A journey of discovery awaits as you delve into these assignments.

Enjoy your break, and remember to balance your academic pursuits with plenty of rest and relaxation.

HOLIDAY HOMEWORK

General Activities for Holiday Homework

Bonafide Bookworms!

During the Summer Break, select any one non-fiction book from the following four, and prepare a book review on the same.

- 1) Things Fall Apart- Chinua Achebe
- 2) To Kill a Mockingbird- Harper Lee
- 3) Animal Farm- George Orwell
- 4) To Sir With Love- E.R. Braithwaite

Here are some sample questions that can help you think critically about the book:

- 1) Thesis or Argument- What is the central thesis—or the main argument of the book? What has the book accomplished? Is the argument clearly stated and does the research support this?
- 2) Topic - What exactly is the subject or topic of the book? Is it clearly articulated? Does the author cover the subject adequately? Does the author cover all aspects of the subject in a balanced manner? Can you detect any biases?
- 3) Evidence - How does the author support his/her argument? What evidence does the author use to prove his/her point? Is the evidence based on an appropriate application of the method chosen to gather information?
- 4) Structure - How does the author structure his/her argument? Does it follow a logical order of analysis? What are the parts that make up the whole? Does the argument make sense to you? Does it persuade you? Why or why not?
- 5) Take-aways - How has this book helped you to understand the research problem? Would you recommend the book to others? Why or why not?

Chronicle Your Thoughts!

Create a routine of reading newspapers daily. Maintain a newspaper scrapbook by putting together interesting articles, creative advertisements, comic strip series, and standalone photos published in the newspaper. Additionally, you can also pen down your thoughts on any one news item by delving deep into the news.

HOLIDAY HOMEWORK

RIDS Holiday Homework (Class - XI)

Dear Students

Monuments stand as silent witnesses to the passage of time, reminding us of our past and guiding us towards our future. Every year, International Day for Monuments and Sites is celebrated on 18th April. Let us explore and learn about the monuments of a few countries to get a deeper understanding of their heritage and history.

Research and make a presentation, using any digital tool, on one monument each of the two countries allotted to you as per your roll number. The presentation must focus on the interesting facts about the monuments and their historical importance.

Also write a short paragraph highlighting the similarities and differences between the two monuments chosen by you (material used/ structure/ legend associated with it etc).

Please note the countries allowed roll number wise:

- R. No 1 to 12 - India and UAE
- R. No 13 to 25 - USA and Australia
- R. No 26 to 38 - UAE and USA
- R. No 39 onwards - Australia and India

You will also present your research to your peer group after the Summer Break.

HOLIDAY HOMEWORK

SUBJECT	English
ASSESSMENT PARAMETER	Multiple Assessment
TOPIC-PROJECT / ACTIVITY	<p>Poster Design Challenge- Theme- Go Digital</p> <ol style="list-style-type: none">1. Each student will research on the theme 'Go Digital' and explore digital payment methods and their advantages over traditional cash transactions.2. Write catchy headlines, slogans, and informative text to convey the message effectively. Utilize images, graphics and illustrations to enhance the visual appeal of the poster.3. Focus on the benefits of going digital for transactions and visually represent concepts such as convenience, security, speed and accessibility.4. Include a clear call to action to encourage viewers/readers to adopt digital payment methods. This could be a directive to download a mobile banking app or signing up for an online payment service.5. Explore topics such as mobile wallets, contactless payments, and cryptocurrency.
LEARNING OUTCOME/ SKILL ENHANCED	<p>Students will be able to -</p> <ul style="list-style-type: none">• effectively communicate information through visual mediums by selecting appropriate images, texts and layouts for their posters.• develop critical thinking skills by conducting research on their chosen topics and selecting relevant information.• express their creativity through the design and composition, incorporating original ideas and artistic elements. <p>Skills enhanced:</p> <p>Critical Thinking Creativity</p>
