Class I

## Founder's Day celebration

Founder's Day is a momentous occasion, commemorating the vision, dedication, and hard work of the individuals who laid the foundation of our esteemed institution. To make this Founders Day even more remarkable, children of Class 1 enthusiastically participated in the celebrations. They adorned birthday caps in honour of the institution's 40 glorious years and created a Wishing Wall, where they expressed heartfelt wishes for the continued happiness and success of our school.

## World of colours

Children were engaged in sponge painting and printing using primary colours. This helped them explore texture, colour and develop sensory skills and grasping movements.

## English Recitation

English Recitation was organised based on the themes - 'trees/animals/rainy season'. Students participated by choosing their theme and recited short poems on the greenery of trees, the beauty of rain and its impact on various animals. The classroom was filled with creative expression as students shared their pieces with enthusiasm and confidence.
