## **PRE – PRIMARY DEPARTMENT PROJECTS (2024-25)**

### **SUMMER CAMP AT BBPSPP**

#### **SUNNY SMILES**

The 'Sunny Smiles' Summer Camp 2024 was organised for the students of Pre-Primary Department from 13<sup>th</sup> to 28<sup>th</sup> May, 2024, in the school premises. 300 students enrolled for the same. The camp featured activities such as Chair Zumba, Dramatics, Robotics, Art Attack, Little Chef, Tapping Feet, Life Skills, Fun Games, Pottery etc.

### **LIBRARY FIESTA**

'Library Fiesta' was organised for the students of Classes I and II this Summer Break. 50 students were part of activities like calligraphy, weaving stories, picture conversation, mime and story narration. Students learned to take care of books and arrange them properly in their bookshelves at the Book Care Centre. Discussions on selected books were held at a special café 'BBPS Bistro'.

A visit to Children's Book Trust (CBT) and Dolls Museum was part of this program. Story telling sessions by professional storytellers were organised.

### **WISETIME TOOL KIT**

The 'Wisetime Math Kit' in Classes I-V has proved to be an asset for students. It comprises a comprehensive set of tools and resources to engage in experiential learning, enabling a deeper understanding of mathematical concepts among students.

Students enjoyed learning skip counting, place value of numbers and sorting different coloured beads according to the four places - Thousands, Hundreds, Tens and Ones.

### **CHANTING MANTRAS**

Chanting mantras helps students to improve their concentration. The students of Class II now start their day with beautiful chants. For each month, one mantra is recited and the students are explained its meaning.

Mantra for the month

वक्रतुण्ड महाकाय सूर्यकोटिसमप्रभ।  
निर्विघ्नं कुरु मे देव सर्वकार्येषु सर्वदा ॥

## **MY JOURNAL**

To enhance the writing skills of students, Class I was encouraged to prepare a journal from old notebooks and recycled paper. They observed the surroundings with a telescope set up in the Machan of the Montessori garden and wrote their observations down in the journal.

## **INTRODUCTION TO SCIENCE LAB**

Students of Class I were taken on a tour to the Science Lab. They were briefed about the rules to be followed while doing activities. The students enjoyed various sections of the lab such as the sound wall, ball pit etc. Activities/experiments on the following topics were also conducted for Class II :

- ❖ Mystery Lock
- ❖ Sense Organs
- ❖ Digestive System
